

Business Incubator Association
of New York State, Inc.

January 2008 Monthly Newsletter About Business Incubation in NYS. For access to our website, click the logo. Or click on any link below that interests you. You can join our mailing list from the front page of our website. Alternatively, if you use an RSS reader, you can follow our general feed in between newsletters at: <http://bianys.com/rss.xml>.

[Incubators as a recruitment tool: case study at Poly's BEST incubator](#)

Click the headline for the story how Sypherlink, a technology company founded in Ohio, will now also have a vibrant presence in New York thanks to partnerships arranged by Polytechnic University's Brooklyn Enterprise on Science and Technology (BEST) incubator.

[Governor unveils plan for Harriman Campus](#)

Click the headline for access to a full copy of Gov. Spitzer's announcement, which places the Harriman Business Center incubator at the center of the state's strategy to develop the Capital Region's Innovation Economy.

[More media coverage \(national and local\) for CWE/Artisan Baking Center kitchen incubator](#)

For a high national profile, it's hard to beat coverage in *Business Week*! Click the headline for a link to the story. The incubator also got local coverage for [graduating an entrepreneurship class](#) this fall.

[Adirondack Regional Business Incubator adds two new affiliate clients](#)

Even while ARBI moves toward opening its physical facility, it continues to add and serve "virtual" clients. Click the headline for more.

[Members: don't forget to sign up for our annual meeting](#)

We have confirmed guest speakers will be Ed Reinfurt, Executive Director of NYSTAR, and Bob Callender, Vice President of Programs and director of the STEP project at NYSERDA.

Our newsletter is also sponsored by [Glenmont Partners](#), an early-stage venture-capital firm based in Albany. We thank the Glenmont team for their steady support.

[News about tenant/clients](#)

Three from RPI's Incubator Program:

- [Game developer Vicarious Visions reflects on its origins at RPI incubator](#)
- [Solidus Biosciences and RPI researchers featured in SciAm article on biochips](#)
- [Ecovative Design, developing environmentally benign insulation, wins prize in Oxford's business plan competition](#)

And another from High Tech Rochester's Lennox TEC ...

- [Media focus on potential for MRSA diagnostic by Lighthouse Biosciences](#)

Remember -- you can always find the several latest items of tenant/client news in the upper-right hand corner of our [front page](#). Members, please send us news about your tenant/clients, and encourage them to join this mailing list and participate on the website.

[Start a conversation in our online incubation forum](#)

Click the headline for access to a web forum where you can post your opinion on incubators and the environment for incubator-stage companies in NYS. You don't have to be a registered user of the website to post, view or comment, though there are a few hoops to jump through (a visual challenge to defeat spam and a moderation delay). This your chance to get a discussion started or get something off your chest, but please be civil because we'll delete abusive or off-topic posts. If you want more control over your posts, member incubators and their tenant/clients can register for user names on the site (left-hand column) which will open access to private forums. Let us know how you like the "anonymous" forum idea, or if you experience technical difficulty, and we'll adjust it depending on experience.

Not spam!

This newsletter is emailed once monthly to several hundred interested parties in the business, government, university, policy, philanthropic, and media communities across New York State. Feel free to forward. Signup instructions for the newsletter are also on the front page of our website.

From time to time, we proactively add people to our email list who we think will be interested. If you do not wish to receive this monthly newsletter, follow the link at the bottom of the email. All removal requests will be honored. If you have difficulty with the removal process, just reply to the newsletter email itself and request removal.
