**Marshall
& Sterling**
INSURANCE

Sponsor message: Marshall & Sterling and The Hartford will help you face those online e-security risks head-on in an insightful course, "E-Security: How to Protect Your Business." Among the highlights: the different types of e-security risks you're vulnerable to everyday; the extent and impact of network risks; the considerable cost associated with internet-related risks; and ten workplace practices you can use right now to strengthen your e-security. Click [here](#) for easy access to this on-line course.

[ABC Kitchen Innovations Incubator cited as model](#)

The nonpartisan think tank Center for an Urban Future thinks it's a model for economic development in NYC.

[BIA/NYS announces collaboration with Center for New Technology Enterprise](#)

Members will receive discounts on services from new nonprofit created by a familiar face in the NYS technology landscape.

[Bill in state Senate would authorize virtual agribusiness incubator](#)

We've taken no position on this bill, but why not express your opinion in the comments section of the item, or in our [on-line forum](#)?
